Single Family on 0.00 Acres

Highbush, Pickering (highbush), Ontario

Some houses feel like home the moment you walk in. This is one of them! With 4+2 bedrooms, 6 bathrooms, and even a private upstairs office, there's space for everyone and everything. The huge sun-filled gourmet kitchen is the heart of the home, where mornings start over coffee at the island and family dinners come together with ease. The open living and dining room make hosting simple, while the family room fireplace calls for cozy nights in. Upstairs, the primary retreat feels like your own getaway with a spa-inspired ensuite and a walk-in closet big enough to feel like a boutique. Each bedroom offers its own bathroom and closet, making mornings easy and personal space a luxury. The finished basement with its own entrance opens the door to possibilities featuring a large rec room plus a newly renovated two-bedroom apartment, perfect for extended family, a nanny suite, or even extra income. And when the day winds down, step outside into your private backyard escape. A sunny deck, sparkling pool, and landscaped grounds make it the kind of place where friends gather, kids play, and summer evenings stretch on. It's a home that balances elegance with everyday ease, where milestones are celebrated, laughter fills the rooms, and the little moments turn into lasting memories. Nestled in one of Pickering's most desirable communities, you'll enjoy quick
