Single Family on 4.89 Acres

None, Rural Bonnyville M.d., Alberta

PRICE CHANGE! This home is looking for a new owner to finish fixing up and take it to the intended level of this partially completed renovation soooo much potential to preserve this 1948 house on a 1985 concrete foundation on 5 acres SE of Bonnyville. Good double garage with numerous outbuildings and cross fencing. Such a shame to have so much hard work put in already to not have this project finished. Services all in place of septic, drilled well, natural gas (NE Coop), power, internet & cell service. The land is level, mostly cleared, plenty of good fencing (perimeter), all surrounded with farming activity. Previously mainly used for horses. Let the Lakeland country roads take you home . . . to this hidden gem and make it your future homestead. (id:6289)
