Single Family

Cold Lake North, Cold Lake, Alberta

This home is fully finished up and down! This home has 4 bathrooms! This home has Air Conditioning! This 4 bedroom home has plenty of upgrades compared with some of the other townhouses for sale. This home has a fenced back yard, which is a huge plus. In addition, it has Air Conditioning, for those warm summer days. The home also has an ensuite with shower, a fully finished basement with a 4th bedroom, den, and a 4th bathroom with shower. Since it is an end unit, the townhome also doesn't share it's driveway with anyone else. This home was repainted. With no unit on the one side, there is more room for parking too. (id:6289)
