Vacant Land on 103.27 Acres

None, Rural Athabasca County, Alberta

Escape to your own private retreat with this 103.27-acre parcel located just 1 km south of the Hamlet of Perryvale, in the stunning Tawatinaw Valley. This fully treed property offers a beautiful mix of poplar & mature spruce, with a small open meadow perfect for immediate recreational use, whether it's camping, weekend getaways, or simply enjoying nature. The land features a sloping topography, providing character & unique building opportunities. Access into the property is via a driveway off a non-maintained road allowance, creating a private, secluded entrance. Property is also flanked by county road on both sides of the property. An older geodome structure is located just off the clearing, positioned into the hillside and surrounded by mature spruce. The geodome is in need of repair and requires extensive restoration work to bring it back to its glory days. A flowing artesian well (semi developed) is just west of the geodome, providing a natural watering spot for the local wildlife. (id:6289)
