This is a great opportunity if you are looking to build but the high cost is stopping you. This building will need to be moved but in doing so, it can be moved to your location of choice as the possibilities are endless. This could be someones beautiful home or could easily be converted into 2 units due to its size and layout. This building was formerly used by the community for activities such as scouts and summer camps. It does have plumbing and electrical run throughout but its design is made more for a community usage therefore it doesnt have any bedrooms in its current layout leaving the door open to your imagination.
