Vacant Land on 5.16 Acres

N/A, Welshpool, New Brunswick

The Narrows, well, a place where two countries come together. The ocean water is magical, tides and currents pulling you in and out. Only the skilled Captains who are the ""harvesters of the sea"" navigate these waters well. The Roosevelt International Bridge symbolizes what President John F. Kennedy called the ""bond of friendship"" between Canada and the United States. We have great ties to small town of Lubec, Maine, family and friends. This bridge gives the residents of Campobello the freedom to travel and be a part of both communities. This 5.16 acre lot will have stunning views of the quaint village of Lubec and the magnificent sunsets. It's just across the bridge through the border crossing, up the hill and hang a left to the beauty before you. Build your dream home. Or maybe you have a business in mind, cottages...the sky is the limit with a great imagination. Come walk the shoreline. Wave to a captain in a boat passing by, while watching seals playing in the waves. (id:6289)
