Single Family on 0.95 Acres

N/A, Saint Margarets, New Brunswick

Welcome to this gardeners paradise that is located only 15 minutes from Miramichi City. The Seller tells me this property offers the following plant list ... peach tree, 2 pear trees, grape vine, blackberries, patch of blueberry, (Perennial flowers) coneflowers, shasta daisy, day lilies, mixed wild flowers and hydrangeas, (Perennial herbs) lavender, tarragon, mixed mints varieties, thyme, chives. The Seller tells me there is a septic and 2 wells on the property (Seller and Realtor make no guarantees on condition of septic and wells and they are as is, where is). The home on the property is in very poor condition and is not livable. Call today to schedule your private viewing! (Note: There only one inside photo taken from outside the back door because the house is not safe to enter). Do not enter home and walk land with caution as there is a lot of debris. (id:6289)
