Single Family on 3.06 Acres

N/A, Alnwick, New Brunswick

Enjoy forest views and a tranquil setting at this well-maintained country home. Relax in your private gazebo (built 2 years ago), located beside a cozy fire pit and small water feature. The roof, windows, and decks were all updated in 2013 for lasting value. In the front yard, a mature mulberry tree and several apple trees add charm and seasonal fruit. Inside, the kitchen was fully renovated 3 years ago, featuring high-end cabinetry and modern appliances. The main floor also includes a bright living room, dining area, and a new bathroom. A mini-split system keeps the home comfortable year-round, and there's no shortage of storage. Upstairs is a spacious open bedroom with a large closet and extra storage. The basement offers a second living area with a propane fireplace, ideal as a man cave, media room, or extra bedroom. The foundation was replaced in 2013 with a solid 4-foot concrete base for durability and insulation. Outside, you'll find a large 800 sq ft garage with full power and a wood stove, perfect for a granny suite, workshop, or retreat. A 20' x 24' shed/garage with a full second floor adds even more flexible space. This peaceful property offers country living at its best, move-in ready, full of character, and surrounded by nature.
