Welcome to your peaceful retreat just minutes off the highway and next to the St. Croix River. Surrounded by mature trees, this chalet-style property offers a perfect balance of privacy, nature, and convenience. Inside, the open-concept layout seamlessly connects the kitchen, dining, and living areas, highlighted by vaulted ceilings that create a bright and airy feel. The main level features a full bathroom and a cozy bedroom. A loft upstairs is currently being used as a second bedroom but offers flexibility to be transformed into many uses. The home also provides smart storage solutions, including an entire area below the main floor, accessible through the living room (under couch). Outside, you'll find a low-maintenance yard complete with rock steps leading to a fire pit area, a newer deck with a river view, and a durable metal roof that's built to last.
