Single Family on 0.09 Acres

N/A, Riverview, New Brunswick

Welcome to this exceptional, energy-efficient modern home designed with sustainability and style in mind and backing onto GREEN SPACE! Net-zero ready and equipped with solar panels, a large Tesla battery system for backup power, and geothermal central air and heating, this home offers unmatched comfort, efficiency, and peace of mind. Step inside to a spacious foyer that opens into a bright, open-concept living area. The main floor boasts a cozy family room with a fireplace, a stylish dining area with direct access to a large deck, and a show-stopping kitchen featuring an oversized island, sleek quartz countertops, and a generous walk-in pantry. A half bath completes the main level. Upstairs, you'll find three large bedrooms, including a luxurious primary suite that feels like a private retreat. Enjoy your morning coffee on the private balcony or unwind in the spa-like ensuite with a double vanity, elegant soaker tub, and glass-enclosed tile shower. A second full bathroom and a functional laundry room complete the upper level. The fully finished basement offers even more living space, featuring a large family room, a fourth bedroom, a full bathroom, and ample storage. Outside, enjoy the beautifully landscaped and fully fenced backyard, which backs directly onto lush green space, ideal for privacy and relaxation. This thoughtfully designed, future-ready home is the perfect blend of modern luxury, cutting-edge green technology, and functional living. (id:6289)
