INTRODUCING: THE ELMS! This stunning 1880s grand home sits perched on a 2.1 acre lot with views of the valley, surrounded by mature trees, and in a fantastic quiet historic village. Originally built by John F Teed - this home mixes history with modern living. From the beautiful bay windows, to the cornice mouldings, and the enclosed sunporch - this home is truly a gem. A restored open-air porch leads through the sunporch into the foyer. This space features a gorgeous staircase, and leads through to the living room with wood burning fireplace and bay window. The formal dining room has a decorative fireplace and a second bay window, as well as a beautiful built-in china cabinet. The country kitchen has a wood stove, garden doors to the side deck, and space for informal dining. Also on the main floor is a den/office, half bath, and at the rear is a storage/workshop area with secondary staircase. The second floor has two large bedrooms, a full 4pc bathroom, and two additional bonus rooms (accessed through the second bedroom or the secondary staircase), as well as extra storage. The third floor has been beautifully renovated into an ideal primary suite - complete with a spa-like bathroom and kitchenette. This space could easily be used as an in-law suite as well. The property is stunning - including two parcels of land, a ravine with a brook running through, and many stately hardwood trees. This home sits 10 mins to Sackville/Memramcook, and 25 mins to Dieppe/Moncton. (id:6289)
