5 Bedroom, 3.00 Bathroom, 3,133 sqft

Single Family on 4.79 Acres

N/A, Sackville, New Brunswick

Welcome to 29 Woodlane Drive, a home unlike any other - a magical forest retreat on the shores of Silver Lake. Nestled in almost 5 private acres and graced by 253 ft of pristine lake frontage, this enchanting residence feels like something out of a storybook, where time slows, sunlight filters through the trees, and every detail whispers connection to nature. A long spruce-lined driveway, watched over by two beautifully hand-carved trees, leads to a masterpiece built entirely of spruce, inside and out. Inside, grand vaulted ceilings rise above light-filled spaces, while custom stained-glass panels, handcrafted in Nova Scotia, shimmer with hues that echo tree rings and woodland light. When built, the home's theme was called Glimpses - each level designed to frame a new view of the lake, the forest canopy, or the soft shifting sky. The walk-out lower level offers in-law suite potential, with a private entrance, two bedrooms, a full bath, and a cozy living area, ideal for guests or multi-generational living. Upstairs, the primary suite feels like a secluded hideaway, with its own deck, walk-in closet, and ensuite. With clad double-pane windows, enhanced insulation, and a 24" x 24" detached garage, this home blends craftsmanship and comfort. More than a home, 29 Woodlane Drive is a lifestyle - a lakeside haven where design, serenity, and nature come together in perfect harmony. Come experience the magic for yourself! (id:6289)
