Welcome to 127 Leinster Street, located in the heart of Saint John! This stunning duplex was built around the time of the Great Fire of Saint John. It offers a generous amount of space and is bursting with character. Upon entering, you're welcomed by a cozy foyer. The ground-level apartment features a spacious living room, a wide dining area, a kitchen with a secondary entrance, 2 bedrooms, and a full bathroom. The basement portion of this unit includes a neat space that could serve as a non-conforming bedroom (or hobby room), a laundry area, and a 3pc bathroom. Now, for the pièce de résistance. As you ascend the staircase, it's impossible not to admire the centuries-old craftsmanship. This upper unit boasts a large living room with a bonus room, 2 bedrooms, and a 4pc bathroom. Beyond the living room, a naturally lit dining area flows into an eat-in kitchen that ties the space together. The kitchen offers ample cabinet and cupboard space while still feeling open and inviting. Just off the kitchen is a large balcony with a sleek privacy fence, perfect for relaxing or entertaining. Heading up to the 3rd and final floor, you'll find 2 more bedrooms plus the primary bedroom. Which features a private laundry area, a 4pc ensuite, and access to a rooftop patio, complete with a stylish privacy fence and stunning views of the Saint John Harbour. The last section of the home is the unfinished basement/utility area, which includes a half bathroom and walk-out access to the backyard. (id:6289)
