Experience the perfect blend of comfort, convenience, and style in this centrally located executive condo! From the moment you step inside, you're greeted by vaulted ceilings and an open, airy layout that makes this space truly special. The kitchen is both beautiful and functional, featuring stainless steel appliances (only 5 years old), a mix of granite and quartz countertops, a center island & lots of storage. The open concept living and dining area is filled with natural light & flows seamlessly to your private balcony, where you can start your morning with a cup of coffee while taking in the river and city views. The primary bedroom is a relaxing retreat with large windows overlooking the river, a spacious walk-in closet, and a generous ensuite complete with double sinks and a large walk-in shower. The 2nd bedroom also features river views and two closets. A 2nd full bathroom with a tub adds both comfort and convenience to the space. Additional features include a dedicated underground parking space, fitness center, social room & elevator access. Outside your door, simply walk down the hill to enjoy the waterfront walking trail, walk up the hill to the golf course, or take less than a 5 minute to drive to downtown Moncton.
