Have you been looking for an off-grid getaway location? Mostly surrounded by Crown Land, this is a forager's paradise! Full of wild blueberries, Labrador Tea and plenty of space and biome types to explore, this lovely chunk of land close to Hansard Lake is a gorgeous piece of recreational paradise. Zoned RU1, this piece of perfection is allowed to be the home of multiple types of living. Recreation, Cannabis farming, kennels, forestry, agriculture...the list goes on! Currently requires a hike/ATV in with GPS, but it has been confirmed that CN would grant a crossing and because of the Crown Land, the Regional District can allow road access in the future without having to worry about any private land owners needing to grant easements!
