\$365,000

0 Bedroom, 0.00 Bathroom,
Vacant Land on 31.98 Acres

N/A, Valemount, British Columbia

Step outside into your own forest oasis. Build your dream home nestled in the trees or where you can take advantage of the river valley views. Either way, this mid-sized acreage presents good opportunities for that rural lifestyle you've been looking for. Dissected by the highway, you have a natural separation between the southwestern portion that has been logged and cleared and the northeastern portion that is in mostly natural state. This side was once a homesite and its history remains with some old structures still in place. Tindill Creek runs year-round and is a potential water source while the forest is lush and backs onto Crown Land. This is a special place in the valley, and it could be yours. (id:6289)
