Outstanding, traditional, 3 level custom home designed by architect Bryce Ferguson. Great care was taken to blend the home with the outside environment. A truly wonderful floor plan that flows seamlessly to the magnificent garden & multiple patio areas. The property, just under 10,000 sf, exudes the ultimate in privacy and is situated in a great cul-de-sac location adjacent to a forested park. The garden is a masterpiece, reminiscent of the finest available in an English country manor. Full suit downstairs for Mortgage helper. There is side lane access for ample parking.
