0 Bedroom, 0.00 Bathroom,
Vacant Land on 0.37 Acres

N/A, Sechelt, British Columbia

Double lot with Inlet and mountain views. Rare 107' wide lot provides you with the opportunity to create a gently sloping driveway to your building site. The lot width also allows you to design a home wide enough so you can enjoy the Inlet and mountain views from all your main living areas and your master bedroom. The sloping lot lends itself to a rancher with basement design. The zoning allows for a secondary suite, short term rental or a home business. The current owner had the property surveyed, a home designed, a geo tech completed and septic designed for the home they were going to build. Situated in a desirable area with nature at your doorstep. Close to Sandy Hook Park which has a sandy swimming beach, playground and a boat launch. Also close to the hiking trails at Hidden Grove.
