MLS® #R2991356

\$965,000

4 Bedroom, 3.00 Bathroom,
Single Family on 2.64 Acres

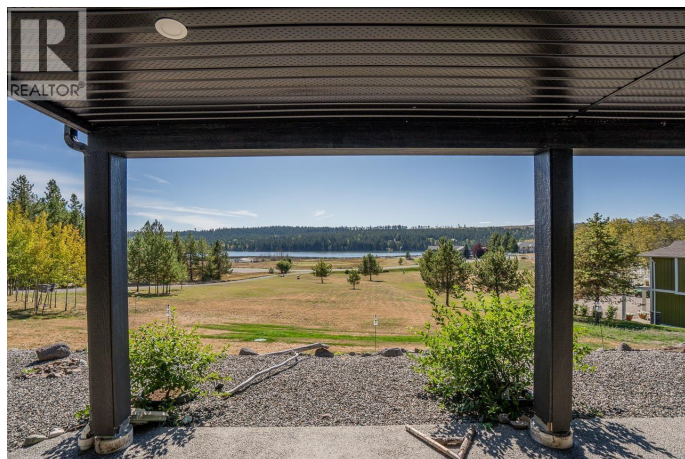

N/A, 103 Mile House, British Columbia

I'm not sure how many people realize this amazing nook of the 103 exists. Right around the back of the lake with the sunniest southern exposure and beautiful views over the water. This home is only a few years old, and it's pretty special! The main floor is open and inviting with a gorgeous kitchen, dreamy primary bedroom suite and a big covered deck. Downstairs, you'll find a media + rec room with access to the yard. Together, it all works perfectly for entertaining. The lot is huge- 2.6 acres with lots of space for a shop in the back. Gardening here will be a breeze, and there's already a little greenhouse to get you started. It's even zoned to allow for animals! And the best part? Town is less than 10 minutes away, so this is a great spot to ease gently into those country-living dreams! (id:6289)
