Incredible Waterfront retreat on the sunny side of Indian Arm @ Helga Bay! This is one of the sweet spots up The Arm with stunning views, close proximity to Granite Falls and Indian River for hiking and exploring. Killer Whales swim up past Helga Bay weekly these days, feeding on the abundant herring. Prawns and crab are easily caught in front of your waterfront paradise here. Magic moments are spent taking in the incredible bounty all around you. Summer days are sublime in this little corner of the world where kayaking or jumping off the dock is a daily ritual. The cabin is off grid and in good condition with a new large private deck and private dock to lounge and swim off in the afternoon sunshine! Come see this waterfront gem that is one of Vancouvers best kept secrets-only 20 minutes by boat from Deep Cove! (id:6289)
