Single Family on 0.25 Acres

N/A, Whistler, British Columbia

Nestled between rustic charm and modern elegance this mountain home is a harmonious blend of timeless beauty. With stunning panoramic windows overlooking the Whistler Valley trail, on to the rolling greens and fairways of the world-famous Whistler Golf Course and up to the Alpine peaks of Whistler and Blackcomb Mountains, sit back and enjoy all the best of what this unique mountain retreat can offer. The rustic, Tuscan-inspired adobe design features warm tones, artistic elements, meticulous craftsmanship, custom features, and an artisan quality evident throughout. Designed to be in harmony with nature, the artistic finishes in wrought iron, copper accents and wood throughout the house are spectacular: Interior willow twig window panels borrow from Tuscan villa style bringing rays of shining light into the home. The warm patina of the hand hammered copper fireplace and custom-designed storage area mix form and beauty. Custom-created wrought iron railings and lamps add an artisan feel throughout. (id:6289)
