\$1,999,900

0 Bedroom, 0.00 Bathroom,
Vacant Land on 1777.60 Acres

N/A, Prince George, British Columbia

Made up of 5 individual titles this 1777.6 acre property is located approximately 20 minutes East of Prince George in a beautiful rural setting. The previous owner acquired the property to establish their own private hunting reserve. Featuring many variations in terrain and landscape this parcel of 5 lots is still perfectly poised to become exactly that, as the lands could be developed into a large private estate or broken up into smaller lots/sections. With direct road access, and such close proximity to all of PG's amenities, including the airport, it stands to reason that once established, the owners could be having visitors fly in from all over the world to participate in the experience of hunting, without the inconvenience of it usually being hours away from civilization.
