A rare find! This ground floor 1 bedroom condo at the fantastic Lake Placid Lodge complex in Creekside is in the coach house section of the complex, a very private setting with its own exterior access, patio, and offers all the storage space you could want. The complex has an amazing outdoor swimming pool hot tub, sauna and BBQ area and the new electric fireplace in the unit adds great ambience after a day on the slopes. Mere steps away from the Creekside gondola, you can put your ski boots on at home and walk across the street onto the gondola. With some vision it could be the perfect mini townhome, and never have to find parking to ski! Contact me for more information regarding the special space this unit has to offer. (id:6289)
