The craftsmanship, attention to detail, and creativity that have been combined to create this stunning Whistler chalet are second to none. Rough cut beams reclaimed from Vancouver Island dating back over 100 years, a thoughtful combination of steel, wood, concrete, and glass, along with a floor plan ideally suited for family connection, and moments of solitude. The home was completely renovated in 2022 with a unique configuration offering a 2-br suite which can be also be sold as a strata unit.
