Single Family on 5964.00 Acres

N/A, North Vancouver, British Columbia

Welcome to 2005 Larson Road. This 2011 contemporary home is nestled nicely just a short walk from everything that the Lonsdale corridor has to offer. 4 bed/4baths with a suite in the basement is just the beginning. The material mixes of stone, metal, glass and floor to ceiling windows make this a must-see home. An open, usable floorplan that architecturally ticks most every box, one room flows nicely to the next to take best advantage of the outdoor spaces & Light. Lovely views of the North Shore mountains, but you cannot beat the roof top deck where you can sit and just watch the world go by including the benefit of Vancouver views. Here we have a sense of privacy not normally found in such a central location. The list of extras must not be missed. (id:6289)
