MLS® #R3041661

\$349,900

3 Bedroom, 1.00 Bathroom,
Single Family on 0.15 Acres

N/A, Prince George, British Columbia

Get ready to resuscitate this home. Some updates have been done, but after years of functional use, some imagination would really make it shine. A large back yard with a green space beyond the fence creates a cool and private setting. On a major bus route, you can make your way to groceries, swimming and the library easily, plus being a bonus of being a Priority One route for snow removal. The blank slate of a basement can be transformed into a spectacular man cave, family recreation area, or more rooms as your family grows. Who knows, maybe you will create a mortgage helper with the side door basement entrance! (id:6289)
