Single Family

N/A, Maple Ridge, British Columbia

This spacious END UNIT townhouse offers over 1,300 square feet across just two levels, giving it a wider, more expansive floor plan than most. With only one neighbour, it provides both privacy and quiet. The updated kitchen features newer cabinets, modern fixtures, and newer appliances, while the completely redone bathroom showcases a beautiful soaker tub with a stylish tile surround. Hardwood floors flow through the main level, anchored by a cozy gas fireplace, and the laundry room is so generously sized it could easily serve as a 4th bedroom. All 3 bedrooms are impressively large, and the main floor opens seamlessly to a level yard, extending the living space outdoors. Bonuses: side-by-side washer and dryer, a brand-new hot water tank, and extra parking is available through the complex. (id:6289)
