The property features a large living room with gas fireplace and a galley style kitchen which has seen some upgrades and has a separate laundry room. This home has had a few new windows installed, newer electrical panel, and an updated forced air furnace. The main washroom has seen some really nice upgrades as well which include a large soaker tub tiled surround and heating tiled flooring. There are two bedrooms here and the primary is a really good size. Single car garage and 11x9 workshop with its own entrance as well as a fully fenced yard all at an affordable price. (id:6289)
