N/A, North Vancouver, British Columbia

Fall in love with this Bob Lewis Mid Century Modern home, nestled on a quiet, flat, south-facing lot in Canyon Heights! A true rancher with no stairs, yet plenty of space for everyone at over 2,000 sqft. The home has loads of special design qualities, including classic Post & Beam style, an original double-sided wood-burning fireplace and large picture windows. While all on one level, the home has space and privacy for all. The kitchen is large and overlooks the garden; the living and family rooms step out nicely to a massive 600+ sqft. southern deck; the 3 bedrooms are all tucked away on one side of the home, and the east wing features a rec room off to the side for the kids to play. Walking distance to Canyon Heights and Handsworth Schools, and close to all that North Van has to offer! (id:6289)
