Ski home! Horstman Estates is one of Whistler's special locations: a quiet neighborhood tucked away on Blackcomb Mountain and just up the road from Whistler Village restaurants and shops. More than a mountain cabin, 4969 Horstman Lane is one of the best log homes available in Whistler! Some of the many features include: a ski-home trail directly to the property, 4320 sq.ft. of living space, a chef's kitchen with AGA and Sub-Zero appliances, radiant in-floor heat, and a large two car garage. At 21,786 sq. ft., this is one of the larger parcels of land in the neighborhood with potential to expand the home or build new up to 6500 sq.ft. A great lifestyle and capital investment, this property is a rare legacy opportunity in one of Whistler's most preferred locations. Come have a look! (id:6289)
