\$399,900

3 Bedroom, 1.00 Bathroom, 960 sqft

Single Family on 0.23 Acres

N/A, Fishing Lake, Saskatchewan

This LAKEFRONT cabin has a huge well treed lot tucked away on a quiet cul de sac. The lot is over 10,000 square feet (double the typical 50x100â€™ lot). The cabin is a nice 3 bedroom bungalow style with plenty of upgrades. The 3rd bedroom is currently converted into a utility room but could be converted back to a 3rd bedroom. The cabin offers a open concept kitchen, living and dining area with exits to decks on both sides including a covered lakefront view deck. The lot has a huge lawn on lakefront well treed, and the road side has a private little firepit area, plenty of parking 2 sheds, and more. The property is a must see. Seller would part with all furniture and most of the items in the cabin other than personal items. Unique feature of the kitchen is a gas stove converted to propane offering a great cooking heat source. The property is currently heated but plug in infrared heaters and an electric fireplace in the TV stand. There is an older well on the property. Fishing Lake offers excellent fishing, water sports, golf hunting, snowmobiling, beach volleyball, softball diamond, picnic area and pickle ball court. Fishing Lake is only a couple hours from Regina and Saskatoon near Wadena, Wynyard, and Foam Lake. (id:6289)
