Single Family on 10.00 Acres

N/A, Viscount Rm No. 341, Saskatchewan

10 Acre Acreage with Spacious Bungalow & Outbuildings. This 10-acre property offers the perfect blend of prairie views, mature trees, and a well-kept home with plenty of space for the whole family. The 1,600 sq. ft. bungalow was originally built in 1970 and moved onto a new basement in 1998, giving it a solid foundation and great potential for further development. Inside, you'll find a bright and functional floor plan. The spacious entryway includes a convenient 2-piece bathroom and laundry area just steps from the door. The kitchen and dining area are well-appointed and flow into a huge living room perfect for family gatherings. Three bedrooms and a full bathroom complete the main floor, along with excellent storage throughout. The basement is boarded and ready for finishing, with plenty of space to add bedrooms or a rec room. A completed 4-piece bathroom is already in place, making it easy to customize the lower level to your needs. Additional features include an oversized double attached garage, well water, and natural gas service. The yard site is well-equipped with a 38' x 40' Quonset (with overhead door and water), a spacious shed with hydrant, and room to enjoy both treed areas, spacious deck, and open prairie views. Located central to Bruno, Viscount, and Humboldt, and less than an hour to Saskatoon, this acreage offers the best of both privacy and accessibility. The yard is currently in the process of subdivision, with completion set for January. (id:6289)
