Business

West Industrial, Saskatoon, Saskatchewan

Turnkey automotive detailing business for sale. This prime location business with high visibility and accessibility comes with quality equipment and supplies. Here is a great opportunity to own a well established (with an existing client base) auto detailing shop with a good reputation for their quality service. This shop is fully equipped, ready for a new owner to step in and continue the operation (current management will provide training for a negotiated period of time). Apart from the current operation, there is room for growth by adding ceramic coating , paint correction tire change, auto sales and much more .
