Single Family on 0.26 Acres

N/A, Lac La Ronge Provincial Park,
Saskatchewan

Have you dreamed of your own charming cottage on Lac La Ronge?! This adorable log cabin is located on its own island a short boat ride from Wadin Bay and close to Mooney Beach. The cabin is fully insulated, has running hot water, and is set up with a VERY robust solar system. It comes fully furnished with beds to sleep 6. The shed right next to the cabin is a tastefully disguised seacan that houses a composting toilet and the batteries for the power system with plenty of extra room for storage. Down by the water, you will find the dock (with a slide for the kids to enjoy all summer long!) and a floating boathouse right next to a small beach. A short stroll up from the dock along the boardwalk brings you to your deck, fire pit area, and brand new Fire Water hot tub! If you want more space for the family to gather, there is plenty of room on the site to build a larger cabin and keep the existing one as a guesthouse. Or keep it simple and just show up and enjoy! This is an ideal location on Lac La Ronge with mature trees all around the island and a quick boat ride back to mainland. This well maintained, turnkey cabin is ready for new owners - pack your bathing suits and hit the hot tub, then the lake, then back to the tub! (id:6289)
