2 Bedroom, 1.00 Bathroom, 840 sqft

Single Family

Lakeview SA, Saskatoon, Saskatchewan

Beautiful 2 bedroom condo in the Lakeshore Estates Complex!!!! This unit is situated at the backend of the complex and has a south/southwest exposure from the 5' by 27' balcony, overlooking some greenspace and trees. Nice and quiet. Brand new vinyl plank flooring just installed throughout, new baseboards and some trim and a fresh coat of paint. The kitchen and bathroom were remodeled in the last little while, too. Top floor unit with no neighbors above, in suite laundry with a large storage area that will hold your bikes in the winter. The Rec Centre has an area for lounging, pool table, exercise area and a squash-racquetball court. Lots of fun in the winter. The pictures don't do it justice. Come and see for yourself!!!!!!
