Introducing the Dakota Model, where industrial-inspired design pairs with practical living spaces — thoughtfully designed and still in the making. Please note: this home is currently under construction, and the images provided are a mere preview of its future elegance. Artist renderings are conceptual and may be modified without prior notice. We cannot guarantee that the facilities or features depicted in the show home or marketing materials will be ultimately built, or if constructed, that they will match exactly in terms of type, size, or specification.
