Single Family on 0.14 Acres

Massey Place, Saskatoon, Saskatchewan

This well-constructed home is located in a quiet, family-friendly neighbourhood close to schools, parks, and playgrounds, with easy access to anywhere in the city. As soon as you walk in, youâ€™re greeted by an open great-room layout and an oversized eat-in kitchen. The main floor offers three bedrooms and a 4-piece bathroom. The basement is partially developed and has excellent suite potential for future income or extended family. Over the years, many of the windows have been upgraded, along with the addition of a high-efficiency furnace and shingles. The large, private backyard has plenty of room for a future garage. With plenty of potential and priced to sell, this is a solid opportunity. (id:6289)
