Vacant Land on 0.55 Acres

N/A, Weyburn, Saskatchewan

This listing includes 5 highway commercial lots situated right on Government Road (HWY 35) on the south end of Weyburn. With a total frontage of 182 feet and a land size of more than half an acre, this property provides a lot of potential. At a very attractive price point and providing ample street exposure and overall space, this listing will attract a lot of interest. Please note that this is not being sold as a residential property. The existing structure is not to be entered and would most likely have to be removed or at the very least, the city would put heavy restrictions on its use considering the commercial nature of this lot. Buyers are to do their own due diligence regarding the use of the land and existing properties. (id:6289)
