PINEWOOD, Pinewood, Ontario

Looking for a fully off the grid secluded hunt camp or residence located in an area which still doesn't require permits? This 7 year old, 704 sq ft, 2 Br 1 Bath home was designed to be lived in year round and has year round maintained road access. Cabin is fully insulated, top to bottom, with solar power as well as a wind turbine, hot water on demand, a wall mount propane space heater, wood cook stove, a propane stove, solar/DC fridge, dug well, and a holding tank, so you're all setup! Also located on the property is a 2 car, wood stove heated garage to store your toys or equipment with an attached carport for extra storage. This 80 acre parcel has a trail system which extends throughout the parcel and into the 1000's of acres of Crown land which surround the property with many sections you can drive your vehicle. 2 deer stands are located on the property with established food plots and shooting lanes.
