Red Lake, Red Lake, Ontario

Paradise awaits! This cottage is located on its own peninsula in the East Bay Narrows of Red Lake, which means panoramic lake views as well as beautiful sunrises AND sunsets to enjoy. Built in 1998, this cabin has open concept kitchen, dining, and living room areas, all with vaulted ceilings and breathtaking views. Finishing off the main floor of the cottage is the 3-piece bathroom, one large bedroom, as well as a storage room for fishing gear and tools. Upstairs, the large loft area is the spacious primary bedroom, which leads to a private screened-in sunroom. Off the front of the cabin here is a covered deck, and to one side there is a SECOND screened-in sun room, and the other side features a leanto for all your wood storage. The metal roof was just recently completed, and the dock was upgraded as well. World-class fishing out your back door, and spectacular sunsets out the front. As the saying goes, they're not making more of it, so now is the time to jump on your own waterfront piece of paradise! (id:6289)
