MULTIGENERATIONAL!! LOCATION, location, location Caledon/King border. RARE to have Natural Gas, municipal water and Fibre Optic internet on a property like this! Awesome Multigeneration home with loads of privacy for everybody. This unique log home with a spacious addition offers character, comfort, and incredible views -- including the CN Tower from the front porch! Set back from the road on a private lot, and a huge triple garage, you can drive to back of property. Addition was completed 2014/2015 and renovated in past few years. Ideal for multi-generational living or income potential, the home includes two self-contained apartments with separate entrances, great for kids, parents or in home business or studio. The upper unit (renovated in 2020) is bright and full of storage, while the lower-level unit has a sauna and its own parking and walkout to yard/patio. The main home boasts a window-lined living room, loft-style dining with skylight overlooking the billiard room, multiple walkouts, updated baths, and hardwood/tile floors. Recent updates include: roof (2022), furnaces & AC (2022), Windows/slider (2020), fascia & eaves (2024), municipal water (2022/23), new landscaping, baths, and flagstone walkway (2024). Originally built in 1998 with an addition in 2004/05, this lovingly cared-for property is perfect for families looking for space, privacy, and room to grow!

A unique opportunity in the most perfect location!! Large and cozy home offering beautiful spaces. The big stuff has been done, roof, furnaces, a/c's, upper windows, eaves, fascia, baths, landscape. 3 outbuildings (id:6289)
