Welcome Home! This amazing, recently renovated semi-detached home awaits you and your family. Nestled in the older and quieter Southern part of Acton, but just a quick walk to downtown and all local shops. Truly an open-concept dream main floor as your kitchen and living room flow very nicely into each other, but also create that room separation you need for different configurations. Your new kitchen (fully renovated in 2020) features ample space for your family's best chef, but also enough room to have your little ones seated at the breakfast bar working on their homework. With a full bedroom on the main floor (renovated 2020), this allows multiple possibilities for guests, a home office or a room for those who are not looking to deal with stairs daily. 2nd floor laundry makes things nice and easy with no carrying around laundry baskets. Your private backyard is perfect for summer nights featuring a gas bbq hook-up and a beautiful deck. Picture those summer sunsets sitting out on your deck, starting a nice fire, and enjoying life! Take a look today and realize what a dream this home can be! (id:6289)
