Established in 2013, this turn-key business comes fully licensed as a commercial trucking school, offering a rare opportunity in a high-demand, recession-resilient industry. The license permits 4 students per instructor with no cap on the number of instructors, allowing for flexible growth and scalability. Previously generating up to \$100,000/month when fully operational, this model presents substantial upside potential for the right buyer. Included in the sale are 3 trucks and 4 trailers-providing immediate value and the ability to restart or expand operations with minimal setup. With no lease obligations, you're free to relocate or restructure the business to suit your goals. Perfect for industry professionals, entrepreneurs, or investors looking to capitalize on a growing sector. Full training and transitional support available to ensure a smooth handover. Don't miss this exceptional chance to own a ready-to-go business with strong historical performance and room to scale! (id:6289)
