Northern Bruce Peninsula, Northern Bruce Peninsula, Ontario

46.4 acres of pristine wilderness! A mix of lush woodlands and a small section of natural wetlands - which has provided both great deer and waterfowl hunting. Additionally there is a spring creek that meanders through the property leading out to Miller Lake. A rare and beautiful feature! There is also a simple and rustic hunt shack tucked in among the trees (work required, but a great starting place!). A gravel driveway makes for easy access. Mature trees, open spaces, and diverse vegetation provide endless possibilities whether for recreation, relaxation, or future plans. Secluded and peaceful, yet conveniently accessible via the provincial highway. Just 3 min to public access into Miller Lake, 12 min to the main entrance of the National Park, 14 min to the town of Lions Head, and 20 min to the town of Tobermory. A rare opportunity to own a large acreage private escape immersed in nature. A must see property to truly appreciate! (id:6289)
