This property has the possibilities and flexibility for an Individual or Developer to transform this land into a fine housing area in Tiverton. (It is zoned roughly half R1 Residential and the other half PD Planned Development) The 2.80 acre package currently has a house on it that is deemed beyond repair but also a 20'x40' pole and steel shed. The laneway to the property is actually a 330' long by 25' Municipal road which would be very beneficial for development. Located minutes from the Bruce Nuclear Power Development this property could become a popular new housing area for single family, semi-detached or apartment complexes. The Buyer must due their own due diligence concerning Municipal building requirements. (id:6289)
