Emerald Isle on Lower Stoney Lake is a private island offering a blend of historical charm and modern off-grid living. The original cottage, dating back to the pre 1900's, sits right on the waters edge, allowing for stunning views of both sunrise and sunset. The two-bedroom cottage, being sold turnkey, features a screened-in porch, large living room, dining room and kitchen, all perfect for enjoying the natural surroundings. Solar panels power the property, making it environmentally friendly and self-sufficient. The island offers excellent privacy and clean swimming areas with both shallow and deep entry points, catering to all preferences. In addition to the main cottage, there is a dry slip boathouse with an extra bunkroom/bedroom, and a separate Bunkie/bedroom for additional guest accommodations. The property is centrally located, within close proximity to marinas and Juniper Island.
