5 Bedroom, 1.00 Bathroom,
Agriculture on 0.00 Acres

561 - North Algona/Wilberforce Twp, North Algona Wilberforce, Ontario

History abounds here! From the soil that has sustained families from the 1800s until now.. to the barn boards that housed the livestock. This farm has been featured in several books that captured some of the farming techniques and the richness of life as it was. The house will need restoration and a revitalization of the square log would create a stunning showpiece of a home. The outbuildings have lots of life left in them and are (except for one) in very decent shape. Fields surround the home and barns and across the road is Golden Lake with an unopened concession that offers an opportunity to catch your supper from there. 24 hour irrevocable on offers required. Come enjoy life in the valley. (id:6289)
