Beautiful parcel of farm land located only 5 minutes South-West of the town of Cobden, 1hour West of Ottawa. With a total of 81 acres offering approximately 73 workable acres and 7+ acres of bush it makes for a great parcel to add to your existing operation, start a new farm operation, build a country estate, or as a long term investment. Situated on a quiet paved road this makes for a great spot to build! Located in a region that has a good agricultural support system with crop input suppliers and grain elevators allows you or a tenant farmer to efficiently farm the land. With the price of farmland in other parts of the province being 2x or 3x as high, this land has plenty of room to appreciate in price. This parcel would make for a great investment with good rental income or a nice addition to your existing farm operation! Don't miss the video presentation! (id:6289)
