1 Bedroom, 2.00 Bathroom,
Single Family

7004 - Bayshore, Ottawa, Ontario

Bright, spacious, and full of potential this 1-bed, 2-bath condo in Ottawas west end offers a smart layout and a chance to make it your own. The living space is open and welcoming, with oversized sliding doors that lead to your private balcony and fill the unit with natural light. The kitchen wraps around three walls, offering tons of counter space and storage. The bedroom is oversized with a large closet and a marble-finished ensuite featuring a soaker tub and gold hardware. Plus, theres a second bathroom for guests. Yes, some finishes could use a refresh (hello, original blue carpet!), but the bones are solid and a little vision could go a long way. The building is clean, quiet, and packed with perks: an indoor pool, gym, and study/work areas. You're close to Bayshore and Carlingwood, the Ottawa River, Andrew Haydon Park, and the future LRT extension. If you're looking for value, space, and a project you can personalize, this one is worth a closer look (id:6289)
