This incredible, expansive 169 acre property is a rare find. Mixed woods with mature trees wrap around vast fields that stretch toward the horizon. Remnants of stone pasture fences, an old metal hay rake, and a long forgotten home foundation tell stories of pioneers who once farmed this land. It's quiet, peaceful, and calling to you. Large seasonal ponds - aka Meadow Lake and Cook Lake - enrich the dynamic ecosystems and thriving biodiversity of this natural paradise. Deer trails and beds dot the landscape, birds call in the distance - wildlife is abundant and at home here. There is a gated entrance from the road, a stone path that leads back onto the property, and a one bedroom, one bathroom trailer with a large deck where you can settle in for a night or two... or three. This is a versatile property with huge potential. It's perfect for exploring nature, hunting, and simply being outdoors. Build your dream home, an estate, or a little cabin. Create a lifestyle - a nature retreat, homestead, or farm where echoes of the past shape the promise of the future. Here there is a profound sense of space, seclusion and possibility. Here is where you've always wanted to be... so schedule a showing today and don't miss out on this once in a lifetime opportunity. (id:6289)
